Good Agents Wanted. (OVER.)

HOME LIFE INSURANCE CO.,

258 BROADWAY,

NEW YORK.

Was organized May 1st, 1860, under the auspices of Stockholders and Directors selected from the *very first class* of the capitalists and business men of the cities of *Brooklyn and New York;* they determined to lay its foundation *deep* and *strong*, that, with the blessing of Heaven, it may stand for *ages as the shield and protection of the Widow and the Orphan.* The *plan* adopted for the transaction and management of its business has respect first to the *perfect* and *permanent stability* of the Company, and second, to the *convenience* and *advantage* of the *Assured.* The Directors believe that both these essential points are most perfectly provided for by the Home.

SIXTH ANNUAL DIVIDEND

MAY 1, 1868,

40 PER CENT!

Applied directly, which is more than equivalent to 50 per cent. applied four years hence.

All the Net Profits of this Company go to the Assured.

DIVIDENDS are declared annually on all Policies which, at the dividend period (May 1), have run one year. The amount in each case is applied, at the next settlement of premium, to reduce the premium loan, or toward paying the cash premium, if no loan has been taken.

NO FORFEITURE.—This Company will always pay to the Assured the full value of their Policies, if for any reason they desire to surrender the same. *When two or more annual premiums have been paid in cash*, we will issue a paid-up Policy for life for the amount of such premiums, less dividends, on the surrender of the original Policy.

NO LIMITATION as to RESIDENCE or TRAVEL.—By unanimous vote of the Board of Directors, all limitations as to Residence or Travel are expunged from our Policies, so that the Assured may reside or travel in any part of the world without a Permit or the payment of Extra Premium. This removes one of the most annoying restrictions upon our members, and makes the system of the Home as nearly perfect as now seems possible.

THE HOME OFFERS A PERMANENT LOAN

To the Assured of one-third of all the annual premiums, which loan is not at any time subject to assessment, but is payable only by the annual dividends, or deducted from the amount due under the Policy, and this privilege is not confined to parties whose annual premium exceeds $40 or $50, but is extended alike to all its members.

THE HOME WILL ISSUE POLICIES for the whole term of life, with or without participation in profits.

FOR 1, 5 or 10 YEARS, without participation in profits.

ENDOWMENT ASSURANCE POLICIES. Amount payable at death or when the assured arrives at 40, 45, 50, 55, 60, 65, 70 or 75 years. Premiums payable annually, or in 5, 10, or 15 annual payments.

POLICIES. Premium payable annually in 5, 10, 15 or 20 annual payments. By this admirable arrangement, a person now in the enjoyment of a liberal income, may, with great ease, make a provision for his family, beyond all contingencies.

☞ No Policy Fee charged.

DR. JEROME KIDDER,

Highest Premium — Latest Improved Electro Medical Apparatus. The most popular apparatus adopted by the medical profession for Dyspepsia and all nervous diseases.

"Too much praise cannot be given to them, by reason of the various qualities of the currents they produce."—*Prof. Vander Weyde.*

CAUTION—Buy none unless you see the patent labels of 1860 and 1866 on the machine itself.
